Pneumatic Dropper

Overview

Maximize your throughput, improve accuracy, and eliminate rework by automating your batch counting jobs by adding this pneumatic dropper to Streamfeeder's On-Demand feeders. Automatically count, accumulate and drop stacks of product onto the in-feeds of shrink-wrappers, poly-baggers and banders or directly into totes, cases and cartons. This versatile system is perfect for paper, card stock, magazines, greeting cards, envelopes, pre-printed forms and more.

Standard Features

- Tool-less setup and changeovers
