

# EFS Pro Envelope Flap Sealer

## Overview

Eliminate manual labor while reducing the time and mess of sealing envelopes with Streamfeeder's EFS Pro Envelope Sealer. The EFS Pro provides consistent feeding and flap sealing. Tool-less adjustments make for quick and easy change overs from job to job.

This desktop system is perfect for various styles of flaps on most commercial envelopes, catalog and booklet envelopes, and announcement envelopes.

## Standard Features

- Innovative moistening system
